On October 4, 2012, defendant was sentenced by The Honorable Richard F. Cebull, in the District of Montana, to 48 months custody of the Bureau of Prisons to be followed by a 3-year period of supervised release. The term of supervised release commenced on October 3, 2014. On November 14, 2014, jurisdiction was transferred to the District of Oregon. Defendant's projected expiration date is October 2, 2017. He has successfully completed the Reentry Court Program. It is therefore recommended that the term of supervised release be reduced by one year, which would result in a new expiration date of October 2, 2016.
